****Please note that the instrument cases are old and slightly damaged. Brand new cases are extremely lightweight and come with a shoulder strap or backpack straps which make carrying them much safer. A \$25.00 donation covers the cost of one new case since shipping is included. If you would like to make a contribution, donations can be left at the office.

If you have questions, Perri Morris, the violin teacher, can be reached at perricellist@yahoo.com
