## **Second Grade Teacher Job Posting**

Pine Cobble School is looking for a second grade teacher for the 2026-2027 school year.

### **About Pine Cobble School**

Pine Cobble School is a small all gender Beginners through Grade 8 independent school that embraces with open arms all races, ethnicities, and socioeconomic groups. The school's goal is to offer academic skills and other learning opportunities in a supportive, community based atmosphere that allows our students to learn, explore, and thrive.

### **Job Summary**

Through intentional collaboration, effective communication, a sense of equity in education, and an adherence to the [Pine Cobble School's Community Pillars](#), the Second Grade Teacher will create engaging learning experiences for their students that cultivates a passion for learning while establishing both a sense of self-worth and communal belonging. Additionally, as part of the Lower School Division, the Second Grade Teacher will actively partner with their direct colleagues, the First and Third Grade Teachers, to implement the school's ELA curriculum, Wit & Wisdom, and Math curriculum, Illustrative Mathematics, while also developing a distinct identity for the Division.

The Second Grade Teacher will be someone with outstanding tactful written and oral communication skills that excels at collaboration by being amicable, flexible, and considerate of shared goals while both modeling and maintaining professionalism between all interpersonal relationships as they relate to the role.

### **Essential Duties and Responsibilities**

- Prepares and instructs lessons for students in core subjects while actively implementing Wit & Wisdom and Illustrative Mathematics with fidelity
- Establishes and maintains fair and just standards for student behavior needed to achieve an effective and safe learning environment while actively building both professional and academic relationships with students and their families
- Produces an annual grade level project that culminates in a public display and / or family presentation

- Uses effective teaching and assessment strategies, materials, and educational experiences to support instruction within curricular guidelines towards desired developmental outcomes throughout the academic year
- Facilitates creative academic assessments and provides both adequate and appropriate feedback to students and their parents / guardians
- Establishes and maintains professional, informative, and meaningful two-way communication with parents via weekly class newsletters, semesterly Term Reports, as needed emails and phone calls, and semesterly Family Conferences
- Prioritizes equity and inclusion in instructional practices through incorporating diverse cultures, voices, and perspectives across disciplines and curriculums as well as in interactions with students, families, and colleagues
- Actively implements technology as a learning tool towards developing both technological and digital literacy
- Effectively partners with both the Reading Specialist and Math Specialist to provide differentiated instruction to students in need of accommodations and / or modifications
- Collaborates with Dean of Academics, the Reading Specialist, and Math Specialist to create opportunities for academic enrichment for eligible students
- Co-organizes projects, semesterly field trips, and family events
- Monitors students during snack, lunch, and recess
- Additional duties as assigned

### **Qualification Requirements**

- Bachelor's Degree
- 2+ years of teaching experience preferred

Pine Cobble School is committed to equity and justice. Indeed, we have made this a core priority in our strategic plan. This work is critically important — for all of our students, for our institution, and for the world that our students will someday lead. We approach our work and learning with care and compassion for each other, ourselves, the greater community, and our natural environment. We strive to create an effective learning environment that engages learners and supports their unique learning styles, allowing them to acquire new skills in a way that maximizes understanding and retention.
